No picture book , not as it says .. Photocopied

There are seven recipes that interests me. I have made the Cranberry Walnut Stuffing. It was extremely easy to make (but add more water) and was tasty. Look forward to trying out the other recipes.

A handy reference for classic Turkey Day fare. A few fancy dishes in here too. If you can make the

turkey look like the one on the cover, then you're a better cook than I am...

As i like to cook american recipes (now i live in brazil), this book was a delight ! Brought me a lot of good memories...

I love Thanksgiving dinner, but sometimes you can get tired of the same old meal. If you download this ebook, you will never be able to say that again. This book has it all, I love it.

Thanksgiving is a staple of America and everyone loves the Thanksgiving meal. This ebook shows it all,from the turkey to the pumpkin pie. Nothing is missed. Do you have leftovers? You could probably figure out how to remedy that with these recipes. The only problem you will have with this book is not to know which recipes to make first.
