Customer Reviews

I don't usually like Kindle cookbooks. I love my kindle but prefer it for books that I'm just going to read through--something I don't do with my cookbooks. Cookbooks are meant to be used again and again, making the kindle format difficult for me. It takes a special cookbook for me to make the effort. This is one I'll make it for. The recipes are good traditional Thanksgiving fare, and that's exactly what I was looking for. This book earned its five stars.
