Customer Reviews

I am so pleased to have read this book! I am not a rug hooker but a mat painter and so far I have simply painted "pretty things" that were simple enough to do easily. This book is well organized and helpful for anyone wanting to go in this direction. It has inspired me to write a list of many of my life experiences, wanting to paint them and perhaps offer them to family members! Who knows what I might do! And even for an art admirer, the rugs are simple beautiful to look at. The author has done a wonderful job!

Love this book...beautiful images and stories for each piece...makes my hand itch to start my own story rug
