Customer Reviews

This book is a mixture of floral, fancy pictures, & block-y cartoonish angry cats. It's fantastic.

However, the pages aren't perforated & the paper is EXTREMELY THIN. B/c the paper is so thin, the pages will have to be removed in order to color them, but, b/c the pages aren't perforated, it will be very hard to remove them.

This coloring book is hilarious. Every time I go to color in it, I laugh my ass off. Have only used colored pencils at this point, but plan on trying gel pens later. The pictures are well drawn & it is full of swear words. I find it very relaxing to color in this book.

This is just what every crazy cat lady needs after a long week. It is great art therapy for letting it all go and enjoying some entertainment at the same time. When you're done, you will have a lovely piece of art for your next white elephant gift exchange.

Angry Swearing Cats coloring book provides a wonderful, relaxing way to color out your frustrations of the day, hour or just the last few minutes. Cats on every page express your deepest feelings with humor and swearing. The book arrived in good shape and in good time and I am enjoying it! Thank you for a wonderful product.

Exactly what it says it is. Who would not want to color in these swear words. Some are not really swears, at least not by my standards, but well worth the price or the joy and laughs of coloring these pages in

I gave this as a gift and the recipient loved it. The coloring book has a good variety of cursing cat pictures. Perfect for those nights when you get home from a stressful day at a sh*tty job.

I purchased this as a gift for someone specific in mind, not only for the title and coloring but to bring a smile and laugh to a loved one's day! This was perfect! Thank you!

Not as funny as one may think. The pictures are just okay. Many better swearing coloring books out there.
