## Customer Reviews

I got this Plastic Canvas Book for my mom. She just loves it and has made alot from it. I finally found something she loves to do and would recommend this book to anyone.

Nice book and on time

Happy. Not really what expected in content. All else is above and beyond. Would have liked a little more items. But overall happy.

I love making projects for friends and family. Im a stay at home wife and it gives me something to do.

Have made a couple of these, nice patterns and instructions
