Customer Reviews

I have used this brunch deck MANY times this summer and absolutely love it. All the recipes are on individual cards about the size of a notecard. It's been so easy to share recipes or take them on the go. It's like a little brunch recipe box. I love how Gale uses simple ingredients to make powerful and delicious dishes. This is great fun food for all ages and versatile, you can use the recipes for more than just brunch. I am a college student learning how to cook and I love how easy all these recipes are to make and taste impressive. My friends like to randomly pick cards out for me to make as a game. Love it and definitely should be in any home cook's library!

The publishers of Gale Gand's book have chosen 50 recipes (from the 100 in her book) and printed them on cards with inspiring photographs in four sections: EGGS - CLASSICS - BAKED GOODS - SIDES AND BEVERAGES. It's fun to have family members (including grandkids of course) and/or guests pick out some special brunch ideas that they would like to help fix while they are visiting. There is something here for everyone and all of the recipes are tasty and easy to fix. I have prepared a lot of Gale's recipes both from these cards and her book and highly recommend both. This set of cards is a thoughtful idea for a hostess gift and is small enough to pack and take

along.
