Southern Living Christmas All Through The South: Joyful Memories, Timeless Moments, Enduring Traditions

Synopsis

Christmas All Through the South captures and celebrates the quintessential experience of Christmas in the South. Presented as a timeline of the Christmas season, each event depicted tells a highly visual story of local Southern traditions and classic holiday parties. Each event will captivate readers with an expansive collection of vibrant, full-page images, and festive, complimentary menus accompany many of the events. Combining all the elements for which Southern Living is known and revered - food, travel, and homes, this book is a journey of celebrations through the South, from the low country and the pan-handle to the Texas ranch and Williamsburg farmhouse. Kicking off the season is a reason to get outdoors with "A Tree-Cutting Outing" and "Mistletoe Hunt." "Open House" celebrations in stunningly decorated homes, a "Midnight Mass" in a charming Southern town, and a jubilant Christmas morning spread add to the bliss of the holiday euphoria. An "Oyster Roast" in a sleepy coastal town brings luck to the coming months, as it ties up the complete Christmas season with a ruby red bow.

This is a nice Christmas inspired book by Southern Living. This book has so much amazing Christmas inspired photos that one could say that this book is actually a "picture book," but this book is more than that. It's also a story book about Christmas and what Christmas is like in the South. And the other great thing about this book is that there are lots of actual menus of meals. I haven't tried the recipes yet, but a lot of them look amazing, and they don't look too complicated to

make. Here is how the recipes are organized in the book - as you go through the book there are lists of menus with amazing photos of the food, appetizers, desserts, and drinks. Then at the back of the book, the menus are re-listed with all of the actual recipes following - so they are all in one place. It's too bad that doesn't have a "look inside the book" option so that you can see how amazing this book is. Some of the recipes that caught my attention is the "Caramel Drop Banana Bread Trifle Dessert," "Pecan Bourbon Balls," "Orange Thing Punch," "Arugula Pear Blue Cheese Salad," "Gingerbread SoufflÃ©," "Sparkling Cranberry Cider," "Caramel Apple Cider," "Spiced Sorghum Snowflakes Cookies," "Pecan Cornbread," "Honey Rosemary Cherries and Blue Cheese Crostini," "Pecan Soup," "Savory Bacon and Leek Bread Pudding," and "Lemon Glazed Fried Cherry Pies." Of course, these are only some of the recipes, but there are much more in the book. There is also an entire section for Christmas Cakes with all of those recipes as well. One of those recipes is for a peppermint cheesecake.
