Customer Reviews

Hi, I'm a big fan of Gooseberry Patch, and I recently had the opportunity to review Christmas Book 3. I highly recommend it for those looking for fun craft ideas, and great recipes. In particular the Honey-Roasted Pork Loin and Harvest stuffing recipes were divine and went over well with my family. Unlike other Gooseberry Patch books, this series is larger and contains pictures. Sure to have something for everyone!

This book is so full of ideas and suggestions, and it's fun to read. I feel I can adapt some of the gift jar ideas for other holiday giving as well. It's a great book.

Recipes from other down-home cooks like ourselves using ingredients found in most kitchens or that are easily purchased at most grocery stores. Every recipe I've tried from GP is delicious.

Goodseberry Patch: Christmas, Book 3 is a valuable resource for recipes and craft projects.
