The Professional Server: A Training Manual (2nd Edition)

Synopsis

Filled with real-life examples, The Professional Server: A Training Manual covers all aspects of dining room service. This edition contains in-depth coverage of everything a good server needs to know to be successful in this competitive professionâ “from professional appearance, to server readiness, to guest communication. Self-contained chapters flow in a logical sequence and offer an explanation of table settings, wine and beverage service and current technologies. Restaurant Reality stories, charts and photos give students an insiderâ ™s look into the realities of the profession.

Customer Reviews

There are far too many typos in the text, mostly in the chapter on beer and wine. Since it is a second edition, you would think they would have corrected them by now! I emailed the professor responsible for comments about the text two months ago: no response.

Not bad at all
