Customer Reviews

This book is loaded with beautiful quilt projects and includes full color photos. I love the "Sealed With a Kiss" envelope quilt featured on HGTV with AlexAnderson years ago. I was so thrilled to find this book on and it is a gem in my quilt studio.

Hearts are such a traditional theme and are easily incorporated into quilts. The authors supply plenty of inspirational ideas for any quilter, traditional to contemporary. I highly recommend the book to all levels of ability from beginner to advanced.

I made the "Sealed with a Kiss" Quilt from this book for a friend. There are other adorable projects in this book which I'd like to make as well.

I love the simple, whimsical designs. I don't often make this type of quilt but this book is likely to

change that.
